$ git commit -m "Project added"
[master (root-commit) b54859f] Project added
Committer: bhoomiha Mahes <bhoomiha.mahes@aspisys.com>
your name and email address were configured automatically based
on your username and hostname. Please check that they are accurate.
You can suppress this message by setting them explicitly. Run the
following command and follow the instructions in your editor to edit
your configuration file:

    git config --global --edit

After doing this, you may fix the identity used for this commit with:

    git commit --amend --reset-author
